

Eliane Vanderstadt

Graphic Designer
Digital Designer
Webmaster

Experience

Uncoded

2022 – recent

Uncoded is a digital design agency, that has both consultancy and internal projects for clients. For Uncoded I've designed digital and print media, social media posts and developed websites with wordpress.

Belfius consultancy

Webmaster / Graphic Designer
maart 2022 - 2024

Colruyt Group

2016 – maart 2022

At Colruyt Group I was responsible for maintaining websites and creating digital communication.

I created marketing material for social media posts, animated banners, pages and some print media.

As well as updated and kept up with the SEO-requirements for the webshops.
